

Alex Goodwin
2010-2011 MBAA Recreation Chair Platform

As MBAA Recreational Chair, I will work as hard as I can to fulfill all the duties and responsibilities of my position. I will promote awareness of all sports and solicit players to participate. If elected, I will do my best to get as many people involved in intramural sports as possible. I have played sports my entire life and I enjoy playing almost any sport because I am a very fierce competitor. I will use my enthusiasm for sports to encourage others to join in the great fun they will have with their fellow classmates.

Sports are about competition and winning, but it's not all about winning. As MBAA Recreational Chair, I would like to use intramural sports as a medium for camaraderie. If elected, I will promote camaraderie and teambuilding through intramural sports. I would also like to use sports as a means for 1st years and 2nd years to get to know each other. I have made friends with quite a few 2nd years this year and it is partly because of intramural sports. Another goal of mine is to increase the number of Co-ed teams. Sports are not just for the guys, women enjoy staying active and being competitive as well. I will do my best to encourage as many women as possible to participate.

No matter what sport I play, I always give a 110% and never quit. If elected to MBAA Recreational Chair you can expect the same effort and determination on and off the field. I would be honored to be your next Recreational Chair.

Sincerely,

Alex Goodwin
