

Davey Stone  
Recreation Chair  
2010 MBAA 2010

Dear Constituents,

I am running for the position of Recreation Chair and want to share with you what I will do for you in this position:

- Provide an environment for MBA students, 1<sup>st</sup> and 2<sup>nd</sup> years, to bond and build relationships outside of the classroom
- Encourage participation from both female and male students
- Listen to and consider any suggestions for alternative sports and recreational activities not currently offered
- Coordinate a golf team for the LSU golf league
- Participate in and make sure that the team environments are fun and friendly

I have enjoyed playing on many of the MBA Ballers' teams throughout this school year and look forward to an exciting year with the new students. I am very honored to have been nominated for this position and will do my best if elected.

Thank you for your consideration,

Davey Stone
