

“You can discover more about a person in an hour of play than in a year of conversation.” -Plato

According to the MBAA Constitution, the responsibilities of the Social Chair include:

- Organize and be responsible for all social activities of the Association, and make certain that when funds of the Association are involved, all members are invited to the activity.
- Purchase items and materials as needed for the activity, in cooperation with the Treasurer.
- Coordinate social activities with any recruiters or faculty members who may be sponsoring or interested in attending the events.
- Administer the sign up and dispersion of football tickets.
- Strive to meet the objectives of the MBAA as stated in Article II, Section 1 of the MBAA Constitution.

Thank you for the opportunity to run as Social Chair for the MBA Association. I'm very excited about the possibility of ensuring that the MBA students have a lot of fun, in addition to all of the hard work. It is important to get to know each inside and outside of the classroom. Last year's class did a great job of motivating the 1st years to join MBAA and participate and I'm truly encouraged to continue this same path.

Many of the events in the past year were a great success. I plan to continue with the Annual Wine and Cheese Event, Mentor-Mentee Mini-Golf and Bowling, the Annual Crawfish Boil and many others. In the spirit of having fun, here are some of the new events that I propose for the next school year:

- Abita Brewery tour and dinner
- Halloween Party
- Football Tailgating for home games and The Varsity for big away games
- Baseball Tailgating
- St. Patrick's Day party
- Bar Golf in BR or NOLA in celebration of a Major PGA Tour Event
- Karaoke nights and other informal night's out as a group
- "Stroll on the Rowe" Thursdays at Perkins Rowe
- Cohort Competitions including bowling, mini-golf, roller skating, and laser tag
- Theme parties such as 80's night or a luau
- Trip to the Zoo, Aquarium and/or IMAX in New Orleans

Thank you again for considering me for MBAA Social Chair. I believe my past work experience as a Realtor and my position as Director of Promotions for the American Marketing Association at Georgia State University make me a qualified candidate. I am confident in my creative and organizational abilities and highly motivated to make the 2010-2011 social calendar a success!
